WZMX has been a major supporter of the Hartford anti-violence campaign. The morning show has conducted shows focusing on violence in the community, promoted and participated in Stop the Violence rallies, and conducted neighborhood block parties to educate kids about alternatives to violence providing music, food, prizes and more. WZMX has conducted a correspondence campaign whereby station listeners can correspond with local military personnel stationed abroad as part of the Iraqi conflict.

#### **4. Local News Information**

##### **WTIC(AM)**

WTIC-AM has a strong commitment to local news, weather, traffic and sports. The station has news anchors on duty twenty-four hours a day, seven days a week and features news updates every half-hour.

WTIC-AM maintains a news staff of six full-time and six-part time news employees and two full-time and two part-time meteorologists to provide custom weather forecasts.

WTIC-AM listeners can get in touch with the station by telephone, cellular phone, or email – not only through extensions from the main station switchboard, but through direct phone lines to the newsroom and a special cellular phone speed-dial number for traffic information.

WTIC-AM maintains phone lines to provide line-quality broadcasts from the Connecticut State Capitol and the state Armory, where the Office of Emergency Management is located.

WTIC-AM's station news vehicle is equipped with two-way radio, cellular telephone communications, an audio mixer and RPU feed capability on two frequencies to provide high-quality feeds from news locations.

WTIC-AM has an automated system with nearly 3,000 organizations, schools and businesses whereby they can report weather-related cancellations which are broadcast on air and posted on the station's website.

In 2004, WTIC-AM covered unprecedented, history-making events at the Connecticut Capitol, as the state's governor first denied, then admitted accepting gifts from state contractors and employees. The station carried both his annual "State of the State" address and his apology to state residents live. When the legislature began hearings into his conduct, we assigned our own reporter to each day of the hearings, to augment the

coverage available to us from the state radio network. When the executive branch challenged the legislative branch's subpoena power in the case, we assigned a reporter to cover the judicial proceedings as well. And when the state's governor resigned, WTIC NewsTalk 1080 carried it live. We carried his successor's inaugural live. WTIC carried extensive interviews in our morning, mid-day and afternoon talk shows as the situation developed, including a special call-in show following the resignation speech, and the first extensive live interview with the state's new governor.

WTIC-AM has added eight portable hand-held broadcast units, to improve communications among reporters at the scene and between reporters and the studio in the event of local emergencies.

WTIC-AM won the 2004 Regional Radio-Television News Directors Association (RTNDA) award for spot news coverage, and the Connecticut Associated Press Broadcasters Association (CAPBA) awards for its coverage of the Greenwood Health Center fire. The news department also received awards for "Best Newscast," "Best Sportscast" and the "Mark Twain Award for Station Excellence from the CAPBA.

WTIC-AM won the 2005 Regional Radio-Television News Directors Association (RTNDA) award for "Best Newscast." Also received the Walt Dibble Award for Personal Excellence and 1<sup>st</sup> place in Breaking News Coverage for the fatal accident on Avon Mountain in Avon, CT.

When a truck fire melted the pavement on a section of highway overpass, severing the critical north-south Interstate 95 connection, WTIC NewsTalk 1080 covered it from the beginning, with traffic advisories interrupting evening sports coverage beginning within minutes of the original traffic accident, and kept listeners updated about detours for this vital channel for commerce. Our talk shows carried interviews with state and local officials, including the governor, and with transportation industry spokesmen, about the effects.

In 2004, Connecticut's motor vehicle emissions testing program encountered a series of problems of concern to all state drivers. WTIC News covered stories involving problems in the program, the state decision to suspend testing, complaints by testing station operators, legal threats by the prime contractor, legislative discussion of ending the program, correction and trial of the testing software, and the ultimate decision to resume testing.

Though Connecticut does not allow cameras and microphones in most state court cases, WTIC assigned a reporter to cover each day of testimony at a landmark case involving a parent charged in connection with the suicide of her son.

When an ammonia leak at "Nature Country Farms" prompted evacuations in Ellington, WTIC news covered both the leak and the emergency shelters, and the WTIC morning show carried interviews on the public safety situation.

WTIC-AM produced and broadcast all five Connecticut gubernatorial debates in 2002.

WTIC-AM broadcast all of the Vote 2004 Presidential debates.

WTIC-AM broadcast all of the Governor's debates, Senator debates.

WTIC-AM covered the 2006 Primary elections and State elections, results and analysis.

WTIC-AM highlighted the local gubernatorial races with interviews with the candidates.

WTIC-AM is a primary broadcaster for the Emergency Alert System and the Amber Alert program.

In November 2002, when an ice storm left 130,000 Connecticut residents without power, WTIC NewsTalk 1080 brought in extra news and weather staff for an expanded broadcast of the situation. As further preparation for future similar events, WTIC NewsTalk 1080 contacted local mayors, selectmen and emergency operations directors providing information on how they could contact the station in similar emergencies to education the community.

In 2003, WTIC-AM produced a special report on the Blizzard of '78 – 25 years later. The broadcast featured interviews with present and former state employees as well as listeners covering that they remember about the event.

WTIC-AM abandons regularly scheduled programming to provide minute-by-minute reporting when local and national events break.

### **WTIC-FM**

WTIC-FM works closely with sister station's news department (WTIC-AM) with regard to local breaking news to broadcast to the public. 24 hours a day, 7 days a week an on-air personality is available to broadcast breaking local news to the public.

WTIC-FM is a primary broadcaster for the Emergency Alert System and the Amber Alert program.

### **WRCH**

WRCH News Director Allison Demers received First place honors in Broadcast Category by the Connecticut Psychiatric Society in the 2006 media awards for its coverage of her show dealing with Peri-natal depression.

WRCH provides seven newscasts during the morning drive period, as well as newscasts at the noon hour and in the evening drive period and weekend mornings As well WRCH

will abandon its regularly scheduled programming to provide news coverage of breaking events of importance to the Hartford community. WRCH responded to the states first Amber Alert last month and in addition to re-broadcasting the alert, did news reports every 15 minutes with the vehicle description and license plate number. WRCH responds to the need for emergency blood donations for victims of disasters. Every Spring WRCH warns listeners of the Connecticut River Flood stage.

WRCH Provides reports for two local events. The Pilot Pen Tennis tournament and the Buick Championship golf tournament each year.

WRCH works closely with sister station's news department (WTIC-AM) with regard to local breaking news to broadcast to the public. 24 hours a day, 7 days a week an on-air personality is available to broadcast breaking local news to the public.

WRCH is a secondary broadcaster for the Emergency Alert System and the Amber Alert program.

### **WZMX**

Dear Mr. Schultz:

On Saturday, January 21, 360 guests enjoyed the 7<sup>th</sup> annual **Mayor's Charity Ball** at the Hartford Golf Club. After last year's *blizzard ball*, we all appreciated the balmy weather. What a magical evening—awash in silver! Though the final figure is not yet confirmed, we netted over \$124,000 (a new record) for the two sponsoring organizations, The Bridge Family Center and HopeWorks. The generous support of the community is extremely gratifying.

We want to express our sincere appreciation for your donation of items to the Rock Star Basket for our auction. Your generous gift helped to ensure the success of our event. No goods or services were received for this donation. Enclosed please find your copy of the Donation Agreement Form.

We want you to know that children, youth, and families will directly benefit from your generosity. Thank you for joining in this effort with The Bridge and HopeWorks.

Sincerely,

Dear Jay,  
Thank you so much for the donations for my "Rock Star" basket for the Mayor's Ball. As you can see I was able to gather lots of "goodies" which made the raffle a huge success. Nine baskets brought in almost \$500 in support.  
Clem and I appreciate your support.

Dear Kathy Ann Riche ,

On behalf of the Calvanese Foundation we would like to thank you for your donation of: T-shirts and CD's to this year's Gala and Auction on April 1, 2006. Your donation is tax deductible because no goods or services were provided. By working together, with business, other individuals in our community and folks like you, an unbelievable \$106,000.00 was raised for the benefit of the Southington Community. The following is a list of programs and charities in Southington that have been awarded grants from the monies raised at "Mardi Gras."

Calendar House Senior Center  
Southington Lupus  
Children's Entertainment Series  
Bread for Life  
Panthorn Park Trails Day  
American Cancer Relay for Life  
SHS Substance Free Graduation Party  
SHS Nursing Scholarships  
Southington Science and Math Initiative  
J.F. Kennedy Environmental Club

SHS Marching Band  
Southington Fire Victims  
Southington Salvation Army  
Southington Social Services  
Americares Homefront Day  
Southington YMCA  
Manna Fun  
Barnes Museum  
Southington Midget Football  
Dennis J. Stanek Sr. Scholarship

American Legion  
St. Thomas School  
Katrina Victims  
Italian Festival  
Elks Veteran Program  
Elks Club Bike Rodeo  
Great Strides  
Manes in Motion  
Southington Public Library  
"Southington Reads" Program

A \$10,000.00 commitment has also been made to the Katrina Fund for victims living in the ravaged south. We were fortunate to have the help of Janet Melon, Southington's Social Service Director, in contacting two elementary schools in the ravaged town of Ocean Spring, Mississippi. Funds were sent directly to the two schools for use by the teachers to purchase tools to enhance their educational programs.

Funds have also been placed into an endowment account for future use in our community. It is our hope going forward that we can build this endowment to a very viable level to generate needed funds for the community. This fund is restricted and only the interest generated is used to fund grants. We would like to once again convey our thanks for your generosity and also encourage you to support the local businesses that are so giving to this Foundation. Please check our web sight for list of items donated to the Gala ([Calvanesefoundation.com](http://Calvanesefoundation.com)). We look forward to your continued support through donations of time or funds enabling us to help better the Southington Community.

Sincerely,

Dear Mr. Emrick: *Rex -*

Thank you very much for your generous gift of \$10,000.00 to Foodshare, given through the proceeds from the "Live at the Planet of Sound" CD.

A medical emergency, a job loss or an unexpected mechanical expense can spell disaster for an individual or family on the edge of economic adversity. Unfortunately, food is the last item in the monthly budget to be addressed, and for those living paycheck-to-paycheck, there is often little left to provide enough to eat. But with support such as yours, Foodshare and its more than 360 partner social service agencies can help by providing food for these hungry neighbors.

Every day Foodshare distributes eleven tons of donated food – enough to fill a tractor trailer! The food goes to community kitchens, shelters, senior centers, food pantries and other social service programs throughout Hartford and Tolland counties that serve families and individuals, children and seniors, with more than a quarter of a million meals a month. And *Mobile Foodshare*, our food pantry on wheels, delivers fresh produce to more than thirty at-risk neighborhoods where it's needed most.

Foodshare is the most effective and efficient way to acquire, store and distribute food for these - in greater Hartford. At the same time, Foodshare works to educate and involve the community in finding real, long term solutions to the problems of poverty and hunger.

This year, with energy and health care costs soaring, many individuals and families will look to Foodshare and its partner agencies for even more help. But thanks to generous caring friends such as you, we will be able to create miracles for 100,000 hungry people – including 40,000 children - who don't have enough to eat.

On their behalf, we thank you for your generosity and your partnership in fighting hunger in greater Hartford.

Sincerely,

Gloria J. McAdam  
 President

P.S. Mark your calendar! Foodshare's 23<sup>rd</sup> Walk Against Hunger takes place on Sunday, May 7<sup>th</sup> in Hartford. For details, visit [www.Foodshare.org](http://www.Foodshare.org) or contact us if you would like a brochure.

Dear Director of Charitable Giving:

Thank you very much for supporting the First Annual Walk/Run to support education. Your generous donation was instrumental in the success of this first event, which raised \$4, 400 for the college. These funds will help provide student scholarships, provide mini-grants to faculty and staff; support affordable, accessible education in a nurturing environment; and above all support the community.

Once again, we truly appreciate your generosity and assistance to the foundation, which helps students achieve their aspirations and prepares them for the future. Your support is what leads to success at Asnuntuck and we could not do it without you!

We hope you can join us next year and our tentative Second Annual Walk/Run will be held on Saturday, April 28<sup>th</sup> at Asnuntuck Field.

Dear Mr. Arnold:

We are writing to extend our thanks and appreciation for your station's support in airing the public service announcements provided by Paralyzed Veterans of America. Our tracking reports show your station included our PSAs in your rotations during 2005 and/or 2006.

By airing these PSAs, you have given us the opportunity to educate your community about the issues faced by those who are living with spinal cord injury and/or disease, while honoring those who have served our country.

Each year, paralyzed veterans and their families, face unique challenges living with SCI/D while striving to lead full and happy lives. For 60 years, the Paralyzed Veterans of America (PVA) has been a valuable resource for its members by funding research to cure paralysis, barrier-free architecture, health care and benefits, sports and recreation activities and advocacy efforts for all individuals with disabilities. Chartered by Congress, PVA works to maximize the independence of its members and all Americans with disabilities.

Through the transmission of our PSAs, your station has helped PVA carry out its long-standing mission of honoring and serving those veterans who have experienced spinal cord injury or dysfunction.

If you would like more information about PVA, the name of a spokesperson for veterans and/or disability issues, or information on the closest PVA chapter to your community, please contact David Uchic, Associate Director of Media Relations at 202-416-7667 or via e-mail at [davidu@pva.org](mailto:davidu@pva.org). You are also welcome to visit us at [www.pva.org](http://www.pva.org). For any questions or information regarding public service campaigns, please contact our PSA distribution representative, Ivette Achong at West Glen Communications at 800-325-8677 ext. 255 or via e-mail at [iachong@westglen.com](mailto:iachong@westglen.com).

Dear Kathy,

On behalf of the members of the National Federation of the Blind of Connecticut, I wish to express our appreciation your radio station's support of our Newline program. Airing our public service announcement has helped to generate much interest in our program that we feel is a fantastic service for the many people of Connecticut who cannot read print newspapers.

The National Federation of the Blind of Connecticut is a membership of blind people who believe that when working together, we can change what it means to be blind in our state and the nation. Thank you for helping us get one step closer to reaching our goal.

Sincerely,

Dear Boyd:

The National Multiple Sclerosis Society, Greater Connecticut Chapter and I thank The Rock WCCC 106.9 for graciously broadcasting our 2006 MS Walk radio PSA. As a result of the awesome publicity provided by WCCC, we received a marked increase in registrations indicating participation as a result of first learning about the event via radio!

I want to express my heartfelt appreciation for Kristie Miller and all she has done to help raise awareness and promote our events. Last year's MS Motorcycle Ride was a huge success. Much of that success is the direct result of The Rock WCCC and its incredible team, including Kristie, Rex and Gordon. We look forward to what we can accomplish together at this year's MS Motorcycle Ride.

Many thanks! We are appreciative and grateful to be able to team up with one of Connecticut's BEST radio stations - The Rock WCCC!

Dear Mr. Andrews: 

Thank you for your support to Christian Community Action's 2005 Forum, to be held Thursday, October 27, 2005 at the Shubert Theater in New Haven. By your \$2,500.00 sponsorship, you have joined a large group of caring people who have chosen to share a little of their abundance with families that need the emergency services that CCA provides in New Haven.

Your sponsorship entitles you to the following benefits:

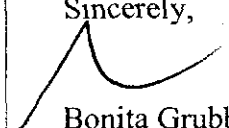

- 4 tickets to the performance / 2 tickets to pre-event private reception
- Photo opportunity with celebrities
- Quarter-page ad in show program

Your sponsorship of this event will help us to continue to provide the essential emergency services for families in need, including emergency housing for families, an emergency food pantry, a transitional housing program, after-school programs and children's summer program, Advocacy & Education projects, our "Mothers for Justice" group, fuel assistance and Thanksgiving food baskets for over 1,100 families.

Your sponsorship makes a big difference in the work we do here at CCA. We appreciate your support.

Again, thank you very much for your generosity.

Sincerely,

  
Bonita Grubbs, (Rev.)

Dear Ray:

On behalf of AIDS Project New Haven's Board of Directors, staff and the clients we are so privileged to serve, we would like to express our heartfelt thanks to you for giving us the opportunity to talk about our 11<sup>th</sup> Annual Pie In The Sky fundraiser on your show. As you know, 100% of the proceeds from this fundraiser go directly to our Caring Cuisine meal delivery program.

With the help of WQUN, we have sold more pies and have raised more money for Caring Cuisine than we have in 10 years! Without the generosity and caring of people like you, we would not be able to continue the important task of caring for people infected and affected with HIV/AIDS. Your contribution is truly significant.

Thank you for your support.

Sincerely,

*Ray*

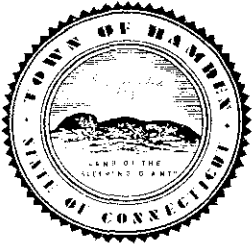

On behalf of the Muscular Dystrophy Association, I would like to thank you for your contribution to our 9<sup>th</sup> Annual "Party for a Cure," which was held on September 4, 2005 at Zandri's Stillwood Inn. You should feel proud in helping to raise \$30,075.00. These funds will be used toward life saving medical research, orthopedic aids, and summer camp, resulting in a brighter future for more than a million people affected by neuromuscular disease.

It is wonderful to help Jerry's Kids by donating all receipts from this event to MDA. Please remember that this is a joint effort and only possible with the voluntary co-operation of the staff and suppliers of Zandri's Stillwood Inn, as well as the entertainers, prize donators, newspaper, radio, and television media, and other individual volunteers. We could not be successful without the continuing support of this great network of dedicated people.

Sincerely

*James D. Zandri*

Dear Mr. Andrussen:

Thank you for allowing me the time on WQUN Radio to promote Hamden's 2007 Earth Day Celebration held at the Hamden Middle School on 2623 Dixwell Avenue on Saturday, April 21, 2007.

Over 1000 people attended the Celebration which included 36 Exhibitors, giveaways galore, a scavenger hunt, and activities such as face painting, portraits, button making, seed planting, a wood making project, Rascals Gym, coloring and more.

Program Highlights included:

Orchid Awards  
CT Audubon Society's Bird of Prey  
CJ May's Recycling Magic Show  
Clink the Clown  
"Pickles" the Green Dragon.  
Music by Robert Messorre

I hope that we can arrange for another talk show for Hamden's 2008 Earth Day Celebration. Your attention to the Hamden Earth Day Celebration was greatly appreciated by all. Thanks again so very much.

Sincerely,

Pamela Roach  
Hamden Recycling Coordinator

Ray,

Great interview! Thank you again for having Christopher as guest on your show. I thought it went very well and packed a lot of information into a relatively short timeframe. (Since my reception of WQUN is marginal here at my house, I listened to the interview via the station's web stream on my computer. Technology is a wonderful thing!)

Ray, I really appreciate all you do to support the community and organizations like Greater New Haven Community Chorus (and Schooner too for that matter) by sharing your airwaves. In today's broadcasting environment, it's a rare gift to have someone like you, who is sensitive to the need local groups have to publicize their events and causes and who is actually civic-minded enough to promote them on the air. The Quinnipiac University administration is to be thanked also, since such judgment calls must often be endorsed from the top down. In turn, the community's respect for and awareness of the University have to be boosted through the good will you generate through WQUN.

Once more, thank you.

I'll see you soon...

Susan
